## AUDIO COLLECTION

Benelux brutoverkoopadviesprijislijst - juli 2019 - \*Inclusief BTW / TVA

*Floyd Rose is a household name to musicians all over the world. Floyd Rose invented the first Double Locking Tremolo for the guitar world in 1979, changing the sound of music forever!*

*The Floyd Rose Audio brand opens an entirely new opportunity for the music industry. A brand already well known for its superior quality musical products now offers high end superior designed sound products for the consumer market in addition to an already targeted audience of musicians who are aware of and have used Floyd Rose products!*

*Floyd Rose Audio products can be positioned in many different retail environments. Retailers can sell Floyd Rose Audio products in the DJ, Musical instruments, Live Sound, and Recording departments and all types of Audiophiles for multiple exposure and quicker turns.*

*Floyd Rose Audio products are eye catching, modern designs that are lightweight, comfortable and sound amazing!*

*Eye popping award winning packaging makes the Floyd Rose product stand out from the competition*

AUDIO COLLECTION

## **FR-36BK BLUETOOTH HEADPHONES**

*Floyd Rose FR-36 Bluetooth Headphones deliver world-class sound combined with state-of-the-art high fidelity technology. We married unparalleled sound quality with luxury design. Delivering true balanced highs, mids and lows for superior audiophile sound, the combination delivers flawless sound clarity and comfort for an amazing sound experience in personal audio.*

*Using APTX CSR Audio Technology, these new FR-36 Bluetooth Wireless/Wired cans boast 14 hours of continuous music on a full charge, meaning you won't have to be tethered to your playback device. A 40mm driver diameter and full 20Hz-20 KHz frequency responses gives a warm and accurate recreation of sound. A 1.5 meter aux cable is included in case you would rather be wired-in. Cushioned ear cups with our custom designed headband offers superior comfort by contouring around the shape of your ear, delivering isolation from outside noise without adding bulk.*

*A fine pair of audiophile headphones deserves an unparalleled presentation. Each pair of Floyd Rose FR-36 folds compactly and comes with a hard protective carrying case that custom fits the headphones for maximum protection and ultimate style.*

**Adviesprijs €139,-**
